

Town of Lake Tomahawk Comprehensive Planning
Public Comment Form

The Plan Commission is very interested to know what you think of the Comprehensive Plan. It is important that we receive constructive feedback. The community must adopt a comprehensive plan, so if there are portions that you disagree with, we need to know specifically what those are. Only then will the town have the information it needs to explore potential revisions to the plan that would meet your concerns. You may turn in a completed comment form during this meeting or mail it to this address by July 30TH, 2009.

Patricia Christy, Clerk
Town of Lake Tomahawk
P.O. Box 396
