

Town of Lake Tomahawk – Draft: Planning Commission Minutes Tuesday October 22nd 2019

Attending: Steve Forrest (Chair), Tom kester, Catherine Parker, Roger Dorsey Larry Hoffman.

Call to order at 6:30 pm

Parker moved to approved agenda, second Dorsey, all approved

Forrest moved to approve minutes of last meeting , Parker second, all approved.

Discussion and review of sections seven eight and nine of the town plan. After review it was decided that no changes were needed at this time to these sections. Since all sections have been reviewed and the Plan Commission found no need to add or change the existing plan, motion was made by Forrest " After reviewing the Lake Tomahawk 2030 Comprehensive Plan the Commission found no need to change, add or alter the existing Plan and therefore recommend that the Lake Tomahawk Town Board adopt the existing plan for an additional period not to exceed ten years" Second Kester, motion carried.

Further discussion was held on the topic of climate change within the Comprehensive Plan. After reviewing it was determined that this issue was already addressed in section 1.5 1 and that the Lake Tomahawk Town Board shall consider the effect decisions shall have on climate change within all sections of the Plan, these area shall include but not be limited to Equipment purchases, building improvements, Maintenance and replacement of utilities. The Lake Tomahawk Town Board shall do what they can to minimize or reduce our impact on the environment.

Next meeting shall be December 10th

Motion to adjourn 7:15
